WORK EXPERIENCE

Software Security Engineer (VAPT).

Company: Commlink Infotech Ltd. (February 2024 – Present).

Senior SQA Engineer (Quality & Security).

Company: Commlink Infotech Ltd. (November 2021 – January 2024).

SQA Engineer

Company: Tutan Technologies Ltd. (January 2020 – October 2021).

IT Engineer

Company: Hello Health Consultancy Ltd.

Year: January 2019 – December 2019.

KEY PROJECTS EXPERIENCE

MDM (Mobionizer) | Platform: Web, Android & IOS | **Role:** Security Test Engineer.

- VAPT & OWASP Top 10 testing, identified vulnerabilities, recommended remediation.
- Identified, analyzed, and reported critical security issues before production release.

eSign and Digital Signature | Platform: Web, Android & IOS | **Role:** Security Test Engineer.

- VAPT & OWASP Top 10 testing, identified vulnerabilities, recommended remediation.
- Identified, analyzed, and reported critical security issues before production release.

eKYC | Platform: Web, Android & IOS | **Role:** Security Test Engineer.

- VAPT & OWASP Top 10 testing, identified vulnerabilities, recommended remediation.
- Identified, analyzed, and reported critical security issues before production release.

Online Banking Solution | Platform: Web & Android | **Role:** Security Test Engineer.

- VAPT & OWASP Top 10 testing, identified vulnerabilities, recommended remediation.
- Identified, analyzed, and reported critical security issues before production release.

MIST EMS | Platform: Web Application | **Role:** Security Test Engineer.

- VAPT & OWASP Top 10 testing, identified vulnerabilities, recommended remediation.
- Identified, analyzed, and reported critical security issues before production release.

EDUCATION

FTMS Global College, Cyberjaya, Malaysia in collaboration with

University of East London (UEL), UK.

B.Sc. in Software Engineering (2015-2018).

Result Grade: First Class (Marks: 78%).

Cantonment Public School & College Rangpur, Bangladesh.

Higher Secondary Certificate (2011- 2013).

CERTIFICATION

Certified Server & Cloud Security Engineer (BASIS-BITM).

LANGUAGES

Bengali, English, Hindi and Malay.
